# PERIODONTAL & IMPLANT MICROSURGERY

Join our hands-on training course April 12-14, 2024!

## Periodontal & Implant Microsurgery Hands-On Workshop

### COURSE OVERVIEW

The Ohio State University College of Dentistry and the Periodontal and Implant Microsurgery Academy (PiMA), proudly offers a unique training opportunity in microsurgery applied to periodontics and implant dentistry. Lectures in wound healing, microsurgical instrumentation and clinical workflow will be complimented with a robust hands-on experience utilizing a variety of simulators that will help continue to enhance clinical skills under the operating microscope.

### COURSE INSTRUCTORS

**Hsun-Liang Chan, DDS, MS**  
Associate Professor  
and Chair, Division of  
Periodontology,  
The Ohio State University

**Diego Velasquez, DDS, MSD**  
Adjunct Clinical  
Assistant Professor,  
University of Michigan

**Amanda Rodriguez, DDS, MS**  
PiMA Assistant  
Program Director

### COURSE HIGHLIGHTS

- Numerous hands-on opportunities
- Live microsurgery
- Exercise using a pig jaw
